A history of the art of writing. by Mason, William Albert, Publication date Topics Writing, Writing. Publisher New York, The Macmillan company. Collection internetarchivebooks; americana. Digitizing sponsor Internet Archive. Internet Archive Books. American Libraries. IDEOGRAPHIC writing is the art of expressing ideas by means of images or pictures, and is the natural language of children and primitive men everywhere. The most perfect examples of this writing have been found in Egypt, and have been known as the hieroglyphs. Several books have been written specifically to help you write a paper in art history. All are pretty widely available, so check your library and local bookstores: Acton, Mary. Learning to Look at Paintings. New York: Routledge, Barnet, Sylvan. A Short Guide to Writing about Art. New York: Harper Collins College, Taylor, Joshua.

These and other questions are addressed in this conversation between two renowned military historians—Robert Citino of the World War II Museum and Mike Neiberg of the U.S. Army War College. They also address questions of what constitutes good historical writing and why it is especially important to develop such writing skills today.
