Wolf Eyes began as a solo project of Nate bodybynykki.com: Hanson, Sub Pop, Troubleman Unlimited, Freedom From, Bulb. A mature Wolf's eyes are often amber/brown or gold, but also commonly come in hues of brown, gray, yellow, and green. It is interesting to note that puppies are born with blue eyes, while mature Wolves do not retain blue as an eye color. Amber is a very rare eye color and also known as 'wolf eyes', since amber eye color is very common in wolves. Amber eyes can be defined as the ones having a strong yellowish/golden and russet/coppery tint. You are force to fight the wolf that turned you. You know that they are stronger than you, faster than you and has had this power longer than you. They decided to . New research hints at the possibility that dogs and their ilk could be sending each other signals with their eyes. It's no secret that wolves, foxes, and dogs are highly social animals. The eyes will change from gold to blue after one takes an innocent human life. Derek Hale's eyes changed from gold to blue when he gave his girlfriend, Paige a mercy-killing. Peter, Corrine, the twins and Sebastien Valet all have blue eyes due to being spree killers, Malia Tate from her accidentally killing her adoptive family and Jackson Whittemore sports blue eyes because of his time as a.
