Fingerstyle Defined: Fingerpicking, or playing fingerstyle, is a technique for playing the guitar, or some other stringed instrument using the fingertips and/or fingernails, rather than with a plectrum (or "pick"). It is used for classical guitar, and some other acoustic styles, but it has found its way into other genres as well. I think you'll agree that fingerstyle guitar sounds great, but it can be tough to know where to start. There seems to be countless fingerpicking exercises to work on even before you can play your first fingerstyle song on guitar.

This page contains a collection of the finest acoustic fingerstyle guitar songs selected for their beauty and musicality. These are my personal guitar arrangement with free tablature, sheet music and my video tutorial. Fingerstyle guitar is the technique of playing a string instrument, a guitar, by plucking the strings not with a pick, but directly, with either the fingertips, fingernails or picks that are attached to the fingers (fingerpicks).
