Advertising is a marketing communication that employs an openly sponsored, non-personal message to promote or sell a product, service or idea.: Sponsors of advertising are typically businesses wishing to promote their products or services. Advertising is differentiated from public relations in that an advertiser pays for and has control over the message. Ad Age is the leading global source of news, intelligence and conversation for marketing and media communities -- get all the breaking news, right now.

Advertising definition, the act or practice of calling public attention to one's product, service, need, etc., especially by paid announcements in newspapers and magazines, over radio or television, on billboards, etc.: to get more customers by advertising. See more. Advertising Whether you're a small business owner looking to advertise your wares, or an aspiring advertising professional looking to launch your career at an ad agency, we've got expert insights into the wide world of advertising. Leaked documents reveal McDonald's is expanding its breakfast menu for the first time in years with sandwiches that contain 3 times the meat.
