Oct 01, · Bonnie MacBird 'found' Art in the Blood - A Sherlock Holmes Adventure, as a manuscript hidden in a forgotten tome of Victorian medical lore, and has brought us another adventure of Sir Arthur.

Art in the Blood is a Sherlock Holmes adventure like Conan Doyle would've written. It has all the characteristics that we know of Holmes and Watson. Of course Mycroft is mixing in. Holmes has some inspired deductions and Watson is there in support. This latest adventure, in the style of Sir Arthur Conan Doyle, sends the iconic duo from London to Paris and the icy wilds of Lancashire in a case which tests Watson's friendship and the fragility and gifts of Sherlock Holmes' own artistic nature to the limits. I highly recommend Art in the Blood to anyone who enjoys Sherlock Holmes or a solid mystery/adventure. 5/5 I received a copy of Art in the Blood from Collins Crime Club in exchange for an honest review/5(7).

Aug 27, · Art in the Blood: A Sherlock Holmes Adventure reads like a cross between Benedict Cumberbatch's/Robert Downey's Sherlock more than Doyle's. Overall though, brushing aside comparison to Doyle's Watson's narration, Art in the Blood: A Sherlock Holmes Adventure is a good read. bodybynykki.com Art in the Blood is a Sherlock Holmes adventure like Conan Doyle would've written.
