At Captive Audience Marketing, Inc., we offer many options to help you market your business more effectively. Some of the marketing solutions we provide include ads-on-hold using the best music-on-hold equipment, professional voice production, and overhead music service. captive audience Listeners or onlookers who have no choice but to attend. For example, It's a required course and, knowing he has a captive audience, the professor rambles on endlessly.

Hate speech that does not involve a captive audience would not fall within the scope of such a regulation. From Cambridge English Corpus Theatre foyers have wall space and a captive audience.

Captive audience definition is - a person or people who are unable to leave a place and are thus forced to listen to what is being said. How to use captive audience in a sentence. Captive Audience offers the pleasure of reading all these things: memoir, lucid cultural analysis, TV Guide, journalism, and, most of all, glorious love letters hurting with shared joys and naked vulnerability.” —Amitava Kumar, author of Immigrant, Montana “Lucas Mann’s Captive Audience is bodybynykki.coms:
