Democracy For The Few is a marxist analysis of the American 'political' system. In textbook format, Michael Parenti traces the origins of the American State as always based on and rule dependent on the accumulation of Capital/5.

Democracy for the Few tries to strike a balance; it tries to explain how democracy is incongruous with modern-day capitalism and is consistently violated by a capitalist social order, and yet how democracy refuses to die and continues to fight back and even make gains despite the great odds against popular forces.
