No matter if you want to be a stage hypnotist or use hypnosis to help people, this book will help you get on your feet and get your career in hypnosis on track. You will take your skills to the next level with this book so start reading now.

In “How to Hypnotize People Easily and Effectively” you learn the science behind the technique. How our brains work in two ways and how those ways pass and deflect information. It’s an intriguing text, and one that isn’t just for Hypnosis is often misunderstood and even I’ve been guilty, in the past, of characterizing it as something less scientifically-based and more suited for entertainment purposes/5(2). In addition to the basics of hypnosis, this book will go into how to influence and advanced hypnosis techniques for both hypnotists who are doing hypnotherapy or for entertainment. Various inductions methods, ethics and regulations, influence, hypnosis therapy and stage hypnosis techniques are the focus of this book.
