The first catalog for solar energy in Michigan [Cynthia Fridgen] on bodybnykki.com
FREE shipping on qualifying bodybnykki.com: Cynthia Fridgen. • Michigan is home to identified solar power supply chain businesses • Michigan gets significantly more sunlight than Germany, the world leader in solar deployment – Germany gets on average approximately kWh/ m² / year, while Michigan gets on average approximately kWh/ m². My wife and I installed a very large solar array (ground mount)-more expensive than roof mount, pay back is only 9 years (not including financing). Michigan Solar Solutions installed all of it, no work on the home owners part what so ever.
